TULARE COUNTY PROBATION DEPARTMENT

COMPLAINT AGAINST LAW ENFORCEMENT ADVISORY

Penal Code Section 148.6 requires that any law enforcement agency accepting an allegation of misconduct against a peace officer shall require the complainant to read and sign the following advisory:

You have the right to make a complaint against a police officer (Peace Officer), for any improper police conduct. California law requires this agency to have a procedure to investigate citizen's complaints. You have a right to a written description of this procedure. This agency may find after investigation that there is not enough evidence to warrant action on your complaint; even if that is the case, you have the right to make the complaint and have it investigated if you believe an officer behaved improperly. Citizen complaints and any reports or findings relating to complaints must be retained by this agency for at least five years.

It is against the laws to make a complaint that you know to be false. If you make a complaint against an officer knowing that it is false, you can be prosecuted on a misdemeanor charge.

I have read and understood the above statement.
